Education

Dr. Jenny Lane is originally from Western North Carolina and graduated in 1996 from A.C. Reynolds High School. She then went on to receive both undergraduate and dental degrees from the University of North Carolina at Chapel Hill in 2000 and 2004 respectively. Upon completion of dental school, she then entered into a 6-year Oral & Maxillofacial Surgery residency program, whereby she obtained her Medical Degree in 2007 and finished residency in 2010 at the University of Alabama at Birmingham.
