

Jenny Lane, D.D.S., M.D.

Biography

Dr. Jenny Lane is originally from Western North Carolina and graduated in 1996 from A.C. Reynolds High School. She went on to receive both undergraduate and dental degrees from the University of North Carolina at Chapel Hill in 2000 and 2004, respectively. Upon completion of dental school, she entered into a 6 year Oral & Maxillofacial Surgery residency program, whereby she obtained her MD in 2007 and finished residency in 2010 at the University of Alabama at Birmingham. During this time, she received excellent surgical and medical training, including one year of general surgery and 6 months of anesthesiology.

After working several years back home in North Carolina, Dr. Lane decided she was ready to return to Asheville and established Biltmore Oral & Facial Surgery.

In 2022, Dr. Lane joined forces with Rockcliff Oral Surgery. The formerly named Biltmore Oral Surgery

location at Vanderbilt Park will now be Rockcliff's second Asheville location.
