

Jackson Blackburn, D.M.D, M.S.

Prosthodontist

Education

Dr. Blackburn is originally from Henderson, NC, but has always been drawn to Western North Carolina. His resume includes a bachelor's degree from UNC Chapel Hill and a Doctor of Dental Medicine degree from East Carolina University. Following dental school, Dr. Blackburn completed two advanced dental residencies. He completed a one-year Advanced Education in General Dentistry program immediately following dental school, and then attended UNC-Chapel Hill for his three-year residency where he received his master's degree in prosthodontics.

Dr. Blackburn looks forward to partnering with Rockcliff and using his specialized training to serve the people of WNC.
